Director's Message

The annual Chancellor Academy Holiday Dinner is, aside from graduation, our most anticipated event of the year. It brings our entire Chancellor Academy family together for a truly special evening filled with delicious food, fantastic prizes, holiday music, hot cocoa and MORE! Students, families, and staff all gather to celebrate the season and enjoy time together.

Proceeds from the event support Real Dog Rescue, helping our canine friends in need.

It's an evening that promises to be memorable for everyone.

Principal's Corner

November was another great month at Chancellor Academy! Our school-wide Thanksgiving celebration, including our first-ever "Fowl" Shooting Contest, was a success. The students who represented their Panther Packs all did amazing and had fun competing.

December is a festive time at school. Our hallways and classrooms are decorated, and we have lots of activities planned. Our Core Groups are currently working on their Door Decorating Contests, and our Pasta Dinner and Tricky Tray is on Thursday, December 11th at 6:30 pm, followed by Spirit Week leading up to the holiday break:

Wishing you all a very Happy and Healthy Holiday Season!

Field Trip to the Liberty Science Center:

In November, we went to the Liberty Science Center! During this trip, we experienced hands-on exhibits, live animals, and the largest planetarium in the Western Hemisphere. We also experienced a touch tunnel where you have to crawl on the ground, touch the right side of the wall, and find your way out! After exploring Liberty Science Center, we had lunch for about 30 minutes, and then we visited the gift shop. This was a great trip!
